

Troop 753

Financial Aid Application

Financial assistance is available for any Scout who is unable to be fully involved in Scouting because of financial need. Aid is available in the form of reduced or waived dues and camping or activity fees. A very limited number of long term camp scholarships are available from Troop 753 for those highly involved Scouts facing financial hardship that show dedication and commitment to Scouting. A limited number of Camperships are available directly from the Circle 10 Council for long term Circle 10 Summer and Winter Camps.

Scouts receiving financial aid are required to attend troop meetings, activities and campouts. Scouts that have reached the rank of First Class are expected to hold a leadership position. Because of the limited funds available for financial aid, periodic reviews will be made of a Scouts' participation, leadership and advancement progress in order to assess the continuation of financial aid.

In keeping with the ideal that "a scout earns his way", participation in Troop fundraisers is required for Scouts and encouraged for parents of Scouts that are receiving financial aid. Participation in Troop fundraisers, such as the Garage Sales, Popcorn Sale and Scout Show Ticket Sale provide operating income for Troop 753 and enable us to provide financial aid when needed. Individual Scouts are also able to add funds to their Scout Account through participation in these activities.

Scout Name _____ # of Adults in Household _____
 Parent Name _____ # of Children in Household _____
 Home Phone _____
 Work/Cell _____ # of Children involved _____
